8 inch Pepperoni Pizza	\$ 8.00
Double Cheese Burger	\$ 5.00
Double Burger	\$ 5.00
Variety Vicks Potato Chip	\$ 2.00

TEAM PIT AREAS AND REQUIREMENTS

Teams have been assigned a 10' x 10' individual pit area for their use. Each pit area will be provided a single outlet limited to a maximum power usage of 4 amps so plan your electrical usage accordingly. It is recommended that teams bring their own power outlet strips for their pit areas. A single table will be provided in each pit area and pop-up canopies will be allowed to be setup. Canopies must fit within the 10' x 10' footprint of the assigned pit area. Any unsafe conditions noted will be brought to the attention of the team and must be addressed immediately. A pit map is attached to this email for your use.

PORTFOLIO SUBMISSIONS & JUDGING SCHEDULE

Teams are to submit their Engineering Portfolio and the Control award form online by the deadline of Tuesday, February 21st at midnight. Late entries will be accepted. Documents can be uploaded by going to your team dashboard or by going to this link: <http://ftc-scoring.firstinspires.org/> After you log-in, select the event (State Championship), and then select judging. You will also see the team interview schedule here after it is published.

In addition to uploading documents, teams are required to bring a printed copy of their documents to the event, including:

1. Engineering Portfolio
2. Control award submission form (if you choose to apply for this award)
3. Judging feedback request form (if you would like to receive feedback).

This is the same procedure we have followed at the tournaments. If you have any questions, please let us know.
